FORUM FRAUEN

German for business

Stand: 220503_Frauenprojekte_ForumFrauen_Flyer-Modul3_EN

Module 3

Module 3: German for business

Learn German – through practical experience! You want to improve your German-language skills in reading, listening, writing and speaking.

You want to train your language abilities so you can communicate in job interviews and everyday workplace situations.

You are working towards a secondary school or professional degree, and want to gain the language skills you need for this purpose.

**We look forward to meeting you.
Take advantage of our free services.**

Our services

Linguistic communication in everyday professional situations (group coaching)

- Practising language skills and communication in relation to specific everyday situations (daycare, school, official agencies)
- Everyday and professional topics (health, culture, qualification, work)
- Learning basic digital and social skills for professional communication (listening comprehension, speaking, reading, writing, calculation)
- Applying grammar and vocabulary in practical learning units and real everyday professional situations (excursions)

Consultation and support (individual coaching)

- Measuring language competence
- Planning individual learning content
- Individually selected linguistic training units based on the skill, qualification or training you want to achieve

This module can be booked simultaneously with module 1, module 2 or module 4.
