

FORUM FRAUEN is a program providing professional advising, support and job placement services for women living in Stuttgart.

We support you

- as you enter the educational and labour market

We help you

- identify and build your strengths, skills and abilities
- with long-term job-placement on the labour market
- in your continued professional training
- prepare for a secondary school-leaving certificate (as an adult)
- prepare for a vocational qualification
- learn German for your career

We offer you support in evaluating your situation, and working with you to identify your own personal development prospects.

You will be advised by a team of experienced reference coaches, company acquisition specialists and work/life balance coaches.
